CAMBRIDGE SAVINGS BANK ANNOUNCES TOUCH ID IS NOW AVAILABLE

Cambridge, Mass, August 13, 2015 - Cambridge Savings Bank recently announced Touch ID is now available, accessible to iPhone 5s, 6 and 6 Plus users, providing customers a faster way to log in to their accounts through the mobile banking application. Touch ID's breakthrough technology uses customers' unique fingerprint as an easy and secure way to log-in with a touch of a finger to check account balances, recent transactions, and more.

Along with Touch ID, the Bank has also added enhanced features to their mobile banking capabilities - Apple Watch users can now access the Cambridge Savings Bank mobile banking application and make payments with their Cambridge Savings Bank Debit Mastercard® or Visa® Credit Card using Apple Pay™.

"As one of the first financial institutions within the community to offer Touch ID, Cambridge Savings Bank understands the importance of a great customer experience and strives to offer innovative banking technology to meet our customers' evolving needs," said Wayne Patenaude, president & CEO, Cambridge Savings Bank.
